

OPERA TOWER HOSTS EXCLUSIVE BROKER RECEPTION ABOARD 100-FOOT MIDNIGHT SUN YACHT

MIAMI—(August 28, 2013)-- Over 60 select real estate brokers recently were treated to an elegant evening aboard the 100-foot Midnight Sun Yacht, courtesy of the sales team at Opera Tower—the 56-story, luxury condominium overlooking Biscayne Bay in Downtown Miami.

Guests were welcomed aboard the yacht, docked just down the street from Opera Tower at Sea Isle Marina & Yachting Center, via a red carpet. Once aboard, they were treated to cocktails, hors d'oeuvres, and a live DJ. After a bit of mingling, guests enjoyed a brief presentation by Fortune International, the sales team for Opera Tower. Sales Director George Fraguio and Sales Associate Sofia Espinosa introduced the fabulous lifestyle available at Opera Tower, as well as details on exciting developer financing and leaseback opportunities at the premier condominium.

Following the presentation, the ship set sail for a relaxing sunset cruise around beautiful Biscayne Bay, while guests had a wonderful time taking advantage of the upper lounge deck, complete with a full bar and dance floor, not to mention the breathtaking sunset views.
