Florida East Coast Realty participates in United Way event

Florida East Coast Realty participated in a panel discussion hosted by United Way, Tocqueville Tuesday and Young Leaders Conversation with Leaders in downtown Miami. At the event, the [Hollo family](#) shared professional and personal life lessons, including the importance of work-life balance, according to a press release. Florida East Coast Realty developed the apartment building Panorama Tower, which at 85 stories is currently the tallest building in the state.

In a recent [interview](#) with The Real Deal, FECR President Jerome Hollo said more than half of the building's 821 units are rented.
