PAWS FRIENDLY

When it comes to their pampered “fur babies” — a.k.a. treasured family members — modern renters are looking for a place that both they and their pets can call home.

The warm and welcoming environment at *Panorama Tower* offers award-winning, pet-friendly amenities that are designed to get many tail wags from long-term renters living with their 4-legged friends. Conveniently located within the building, Dogtown offers great, accessible dog walking, grooming, boarding, wellness, and daycare services. When residents leave to travel or go to work, they have a reliable and convenient partner right at home to take care of their precious pets. Panorama also features a dedicated pet area on the 4th Floor of the garage, which is a particularly great spot when residents need to take out their pets during inclement weather. Baywalk is another valued amenity for Panorama residents looking to maintain a healthy, active lifestyle and get a breath of fresh air with their pets. The building is located directly across from the access to Miami's 5-mile, waterfront trail, which is perfect for those who love walking, jogging, cycling and enjoying outdoor recreational activities; PanoramaTower.com.
