ALTRUISTIC EFFORTS

FROM SOCIAL AWARENESS CAMPAIGNS AND DONATIONS TO PARTNERSHIPS AND COLLABS, PANORAMA TOWER IS DEDICATED TO GIVING BACK TO THE COMMUNITY AND ITS RESIDENTS.

You may have noticed Panorama Tower lit up in teal to shine a spotlight on #AlzheimersAwarenessMonth or when the building was illuminated in symbolic colors for metastatic breast cancer awareness as part of the Global #LightUpMBC campaign, but this is just the tip of the iceberg of Panorama's civic mindedness. The building regularly hosts and sponsors meetings and events for community partners and educational institutions, such as the Center For Leadership at FIU's Board of Advisors meeting, Tibor & Sheila Hollo School of Real Estate at FIU's Board of Advisors meetings, United Way Miami events and panel discussions featuring community and industry leaders, and the 2022 Annual Key Ceremony for the Miami-Dade Beacon Council, which celebrated companies expanding or relocating in the County. Panorama Tower also sponsors the My Miami Annual Leadership Summit that connects young professionals with top business and community leaders and United Way Miami's #YoungLeadersMiami Build Your Own Brunch event. They also work closely with United Way Miami for its annual Thanksgiving Food Drive, aiming to feed over 1,000 low-income families in Miami-Dade County, and collect holiday toys/gifts for children by encouraging and accepting donations at the Panorama Tower Management Office. It's a big building with a big heart; PanoramaTower.com.*
